

“Creative Futures delivers a brilliant service. It cares about the children, the families, and their needs”
Children's Centre Manager

“Structured arts activity improves pre-school & primary literacy skills”
Tripney et al. 2010

“I can't miss today — it's my singing lesson”
pupil

School attributes 16% rise in Good Level of Development to Creative Futures music programme.
Infant School, East London

WHO WE ARE

A multi-arts charity with a proven track record of delivering inspirational and high quality creative projects in music, visual art, poetry, dance, creative writing and more, at EYFS, KS1 & KS2 levels.

WHAT WE DO

We meet targeted outcomes, specific school priorities and **Pupil Premium** funding requirements with our tailored creative projects, and are especially interested in programmes which support children from low-income backgrounds, those with EAL and SEN, and Looked After Children.
